- Carrying out legal research and drafting up legal documents including opinions, threshold documents, schedules of findings, advice and statements.
- Negotiating settlements
- Examining and cross examining witnesses
- Keeping up to date with national and international current affairs, law and policy.

DIRECTORIES

'Natasha is completely unflappable. No matter what the case is about, how difficult the opponent, or how challenging the hearing, her calm manner never deviates. She is equally capable with the need to secure agreement pre hearing as she is with the need to put her case without fear or favour once the hearing starts. Her abilities are far beyond her year of call. She is also empathetic and is particularly adept at dealing with the vulnerable client.'

Ranked: Tier 1

(Legal 500 2023) (Rising Stars: Child Law Public and Private)

he has exceptional interpersonal skills and is able to deal with different people at different levels in an appropriate manner. I have seen her on her feet on numerous occasions and she is an outstanding advocate. Her attention to detail ensures that all of her cases are prepared to the highest of standards.'
